

NHTSA and FHWA, DOT

§ 1252.2

(c) Provide or facilitate the provision of technical assistance to other State agencies and political subdivisions to develop highway safety programs.

(d) Provide financial and technical assistance to other State agencies and political subdivisions in carrying out highway safety programs.

§ 1251.4 Functions.

Each State Highway Safety Agency shall:

(a) Develop and prepare the Highway Safety Plan prescribed by volume 102 of the Highway Safety Program Manual (23 CFR 1204.4, Supplement B), based on evaluation of highway accidents and safety problems within the State.

(b) Establish priorities for highway safety programs funded under 23 U.S.C. 402 within the State.

(c) Provide information and assistance to prospective aid recipients on program benefits, procedures for participation, and development of plans.

(d) Encourage and assist local units of government to improve their highway safety planning and administration efforts.

(e) Review the implementation of State and local highway safety plans and programs, regardless of funding source, and evaluate the implementation of those plans and programs funded under 23 U.S.C. 402.

(f) Monitor the progress of activities and the expenditure of section 402 funds contained in the State's approved Highway Safety Plan.

(g) Assure that independent audits are made of the financial operations of the State Highway Safety Agency and of the use of section 402 funds by any subrecipient.

(h) Coordinate the State Highway Safety Agency's Highway Safety Plan with other federally and non-federally supported programs relating to or affecting highway safety.

(i) Assess program performance through analysis of data relevant to highway safety planning.

PART 1252—STATE MATCHING OF PLANNING AND ADMINISTRATION COSTS

Sec.
1252.1 Purpose.

1252.2 Definitions.

1252.3 Applicability.

1252.4 Policy.

1252.5 Procedures.

1252.6 Responsibilities.

AUTHORITY: 23 U.S.C. 402 and 315; 49 CFR 1.48(b) and 1.50.

§ 1252.1 Purpose.

This part establishes the National Highway Traffic Safety Administration (NHTSA) and the Federal Highway Administration (FHWA) policy on planning and administration (P&A) costs for State highway safety agencies. It defines planning and administration costs, describes the expenditures that may be used to satisfy the State matching requirement, prescribes how the requirement will be met, and when States will have to comply with the requirement.

§ 1252.2 Definitions.

(a) *Fiscal year* means the twelve months beginning each October 1, and ending the following September 30.

(b) *Direct costs* are those costs which can be identified specifically with a particular planning and administration or program activity. The salary of a data analyst on the State highway safety agency staff is an example of a direct cost attributable to P&A. The salary of an emergency medical technician course instructor is an example of direct cost attributable to a program activity.

(c) *Indirect costs* are those costs (1) incurred for a common or joint purpose benefiting more than one program activity and (2) not readily assignable to the program activity specifically benefited. For example, centralized support services such as personnel, procurement, and budgeting would be indirect costs.

(d) *Planning and administration (P&A) costs* are those direct and indirect costs that are attributable to the overall development and management of the Highway Safety Plan. Such costs could include salaries, related personnel benefits, travel expenses, and rental costs.

(e) *Program management costs* are those costs attributable to a program
